QuickTalker Freestyle

QuickTalker Freestyle mini

### WHICH AAC APP ARE YOU USING?

Proloquo2Go

TouchChat HD - AAC with WordPower

LAMP - Words for Life

Snap + Core First by Tobii/Dynavox

Other App \_\_\_\_\_

### APP SCREENSHOT

Please provide one screen shot of your AAC app. When taking the screen shot, make sure the device is held in the orientation that the user will be using it in (portrait or landscape). Please email your screenshot to [fundingservices@ablenetinc.com](mailto:fundingservices@ablenetinc.com).

#### How to capture an iPad Screenshot

1. Open the AAC app the user will be using
2. Press the Home button and On/Off button at the same time
3. When the screenshot is captured, the screen will flash
4. Screenshots are saved in the Photos app
