WHICH AAC APP ARE YOU USING?

- Proloquo2Go
- TouchChat HD - AAC with WordPower
- LAMP - Words for Life
- Snap + Core First by Tobii/Dynavox
- Other App _____

APP SCREENSHOT

Please provide one screen shot of your AAC app. When taking the screen shot, make sure the device is held in the orientation that the user will be using it in (portrait or landscape). Please email your screenshot to fundingservices@ablenetinc.com.

How to capture an iPad Screenshot

1. Open the AAC app the user will be using
2. Press the Home button and On/Off button at the same time
3. When the screenshot is captured, the screen will flash
4. Screenshots are saved in the Photos app
