

Custom Keyguard Order Guide

Client Name:

Which device are you using?

QuickTalker Freestyle

QuickTalker Freestyle mini

QuickTalker Freestyle Pro 12.9”

Which AAC app are you using?

Proloquo2Go

TouchChat HD - AAC with WordPower

LAMP - Words for Life

Snap + Core First

Other App

App Screenshot

Please provide one screen shot of your AAC app. When taking the screen shot, make sure the device is held in the orientation that the user will be using it in (portrait or landscape).

How to capture an iPad Screenshot

1. Open the AAC app the user will be using
2. Press the Home button and On/Off button at the same time
3. When the screenshot is captured, the screen will flash
4. Screenshots are saved in the Photos app

PLEASE RETURN APP SCREENSHOT AND COMPLETED FORM TO
